Many groups have asked about the handling of contributions. How much to contribute, when and to which level of service (Intergroup, GSO, SENY, county or district General Service, or other local service committees) is entirely a group decision.

Some groups contribute monthly, others quarterly and still others when they feel their prudent reserve has grown too large. In general however, any amount given at any time is appreciated and helps carry the AA message.

Groups have also asked if a contribution sent to GSO for instance is then divided up and shared with SENY, the local Intergroup and the local GS district according to either of the suggested pie charts in the AAWS pamphlet, *Self-Support: Where Money and Spirituality Mix?* The answer is, No. If you want your group' contribution to be distributed among the various AA service entities, you must make the distribution yourself by sending out separate donations to each entity.

Additional information concerning finances in AA may be found in the following publications available through AAWS by phone or through its literature catalogue, through some Intergroups or through SENY:

- ***Self-Support: Where Money and Spirituality Mix,***  
an AAWS pamphlet
- ***AA Guidelines: Finance,***  
a GSO service information flyer
- ***Memo to an AA Treasurer,***  
a GSO service information pamphlet
- ***SENY Service Handbook and Articles of Association,***  
a SENY service information booklet

Please provide or correct the following information so we may properly acknowledge the contribution of your group.
