

Delegate Report

SENY Committee Meeting

July 7, 2025

The background of the slide is an abstract, artistic composition. It features swirling, fluid-like shapes in a palette of deep blues, purples, and magentas, with bright yellow and orange highlights. The overall effect is reminiscent of ink or paint being dropped into water, creating a sense of movement and depth. In the upper right corner, a small, translucent blue fish is visible, swimming towards the left. The text is overlaid on a semi-transparent dark rectangle in the center of the image.

Area Consideration

Deadline: Saturday July 26, 11:59pm

Proposed Agenda Item (PAI) Information

A solid PAI is a proposal that helps us carry the message more effectively, strengthen our services, support recovery, or address real gaps in our structure or literature.

Proposed Agenda Item (PAI) Information

- **Non-voting members can submit** but cannot vote on the item. SENY has clear guidelines on who votes at our Assemblies.
- **Do your homework:** check past Advisory Actions and Committee Considerations to be sure this is a relevant item or that it is not already in progress or recently discussed.
 - Visit aaseny.org/delegate 75th Conference Advisory Actions and Committee considerations are posted

Proposed Agenda Item (PAI) Information

- Once submissions are received, the SENY Area Chair will either schedule a special meeting or add the items to the agenda for our September Assembly.
- In either case, the Area will use **substantial unanimity** to determine whether to offer support. That means thoughtful, informed discussion grounded in group conscience will guide what moves forward.

Proposed Agenda Item (PAI) Information

- PAIs should serve our primary purpose: carrying the message, supporting recovery, or improving services.
- Submission deadline for Area Consideration: **Saturday, July 26 at 11:59 p.m.**
- Use the official SENY submission form (**No “Floor Actions”**)
