Approval of January Assembly Meeting Minutes- *Approved as is*

Treasurer's Report - Rich S. treasurer@aaseny.org

- I previously reported on the January and February results at the past two SENY Committee meetings. If anyone wants to see or discuss those, feel free to contact me. Those results are included in the year to date portion of today's report.

March:

- March was another strong month with contributions and total revenue above budget and expenses starting to pick up but still well below budget.
- Received 97 contributions totaling \$13,298 – 33% above budget and nearly double what we received last March.
- Collected \$532 in the 7th Tradition baskets at the March Committee meeting and the Delegate's Day of Sharing bringing total revenue for the month to \$13,832 which is 25% over budget and more than double last year.
- Expenses for the month remain well-controlled and within budget at \$11,489 which is 65.8% of the budgeted amount. Major items included:
 - \$2,105 in reimbursements to officers (mainly for the costs of attending in-person, service events such as the North East Region of AA Service Assembly (NERAASA), the North East Region Delegates meeting, and County meetings and for printing costs associated with the Delegate's Questionnaire);
 - \$1,500 for the monthly rental of the SENY Office;
 - \$1,305 in tech and telecommunications expense;
 - \$3,927 for the first quarter's Spanish translation and interpretation services;
 - \$868 in costs for the Joy of Service Workshop which was hosted by Nassau County on March 19th;
 - \$608 in literature purchases from Grapevine in anticipation of the SENY Convention.
- As an aside, while the proceeds won't be reflected until the April report, our Grapevine Chair Kimbley G has reported \$1,000 in sales at the Convention.
- The resulting net surplus for the month was \$2,343 which increased the cash balance in our operating account to \$105,045.03.
- Prudent Reserve and Special Event account balances held steady at \$127,120 and \$6,000, respectively, while the Convention account balance grew to \$34,159 at month's end.

Year to date basis/First Quarter:

- Contributions were \$43,436 (45% above budget and 57% ahead of last year). Total revenue was \$45,128 which is 39.4% over budget and well above last year's \$28,433.

- Expenses for the quarter remain well under budget at \$28,741 but above last year's total of \$16,398. This is indicative of our beginning to emerge from the isolation imposed on us by Covid restrictions with our officers resuming travel to County meetings and events, in-person service events such as the Joy of Service Workshop, NERAASA and the Suffolk County Unity Breakfast and the resumption of an in-person General Service Conference after two years of virtual ones.
- The major expense items for the quarter were:
 - \$3,537 in Officer reimbursements
 - Office rent of \$4,500
 - \$3,080 in tech and telecommunication expense
 - \$3,927 for translation and interpretation services
 - \$1,015 for printing The LINK and En Lace
 - \$868 for presenting the Joy of Service Workshop
 - \$8,000 for the cost assessed for the Delegate's Fee for the upcoming General Service Conference.
- Net surplus for the three months is \$16,387 versus \$12,034 last year.
- We continue to exhibit a strong financial position. Our contributions are increasing and exceed the budget. Expenses are below budget but beginning to increase as things begin to reopen and we return to more normal activity levels.
- We thank you for your continued support and look forward to increasing our service activities and assisting you in carrying the message to the still sick and suffering alcoholic wherever it may take us.

Motion passed to accept the March Report. 101 to approve, no opposed, 3 abstentions

Reports:

Alt Delegate- JoAnn

- The General Service Conference is in a couple of weeks, and it appears that our Delegate is healthy and good spirits. If I do not have to step in for Tom, I will be helping the hospitality committee for the 72 General Service Conference.
- Since we last met on March 5th, I attended an in person writing workshop for the Hispanic districts on March 6th. The chair of the working group Amelia and our dear PI committee chair Paola gave a presentation on the history of the Spanish big book and fielded questions on requirements for stories.
- At the monthly PI committee meeting we met and planned a virtual writing workshop for April 21.
- We will continue to discuss plans for more virtual and in person grapevine writing workshops for the 4th Spanish and 5th English editions Big Book.
- We didn't have a Service Participation meeting since we only meet during months where there is no assembly so the next meeting will be on May 19th at 7:30pm. I will send a reminder the week before.
- On March 11-13 I went to the In Person NERD weekend with Tom. We got to spend time and attend workshops and meetings with the other Delegates and Alternates in the northeast region.
- I completed facilitating an in person group inventory on March 18th .

- I attended the NERD meeting and the in person Asamblea on March 20th and the Alt Delegate meeting on the 22nd.
- We prepared for our northeast region's presentation on April 1st at the NAAD meeting.
- I have been attending the ESCYPAA8 bid committee planning meetings for the 2022 ESCYPAA Convention held on Long Island this year. They meet on the 1st and 3rd Monday at 8:15pm. They are planning numerous events leading up to their convention so please support if you can. The next one is a tie die event scheduled for April 23 from 1-5pm in Rockville center.
- I attended the in person 2022 SENY Convention from March 31-April 3 and I am still feeling the energy shared from that In Person event. It was beautiful and another opportunity to fellowship and get reacquainted with everyone. My sincere thanks to Mel and the convention planning committee.
- Raj, the DCM for District 305 asked me to share on the Concepts at his district meeting on the third Monday of each month this year and I have been doing that since January.
- On April 6, I crashed District 603s meeting and was asked to answer questions on the delegates questionnaire and discussed the agenda items with the DCM and GSRs.
- I am always available for group inventories and to speak on traditions and concepts.
- Finally, I was asked to speak at the in person Rockland County Breakfast tomorrow and I'm honored and looking forward to it.
- I hope you noticed how I emphasized in person. Please everyone, try to start getting out in person. It's exhilarating!

Technology and Communication Officer (TCO) - Mike

- Tom our Delegate will soon head off to the seventy-second General Service Conference, where he will be the Area's voice, conscience, and vote on issues affecting our entire Fellowship, and hearing your and your Group's opinion lies at the heart of reaching an informed Group conscience for AA as a whole.
- GSO ran into some supply and distribution issues around in the month leading up to the winter holidays; due to external issues they were unable to print additional copies of literature; printing and distribution have resumed, but if you were expecting a GSR kit or other literature from GSO and it has not come, please reach out to me directly at tco@aaseny.org.
- I attended the Northeast Regional Alcoholics Anonymous Service Assembly, where I gave the Registrar's report back on issues common to the Region, including how different Areas are addressing virtual Groups, a matter very much a work in progress given how different Areas have created different rules for allowing virtual Groups to participate.
- Since the start of the year we have had over thirteen thousand unique visitors to the website, with over forty-one thousand page views. Nearly ten thousand of those views were of "From the Delegate," and about ten thousand of those views were of "The 2022 Convention," so people are interested in both what our Delegate says and what we collectively do.
- The Area and Counties keep up-to-date contact records on the roughly 1400 Groups across Area 49. The Area send regular emails to the GSRs and other trusted servants.

About fifteen hundreds of three thousand active contacts open those emails. We have an email administrator, an agenda for Area events, and for those who want paper, a postal mail chair who sends about 400 trusted servants physical copies of the minutes. And, volunteers staff Area Assemblies, manning the waiting room and keeping our virtual space safe.

- It is important that we start thinking about how we get people interested in technology service.
- Please go back to your home group and encourage people to simply put their hand up and volunteer at a virtual meeting; to be a host or cohost, or to staff the waiting room, or act as a virtual bouncer. To ask others who are already doing this service to teach them how, with the hope that some will become enthused and move on further down the AA service triangle. And we can begin to build what I suspect may, in time, become a service unto itself, like Grapevine or Public Information – AA Tech Service. And, because the Areas and Counties all have elections this fall, and we will be rotating out, consider for yourselves if you are interested in service at the County or Area level. Because if you have the interest, the tools themselves are actually very easy to learn, and your predecessor will be more than happy to teach you.

Delegate - Tom

The 72nd General Service Conference starts two weeks from tomorrow (Sunday 4/24), with the roll to be called between 10:00 and 10:30. It will run through Saturday morning, April 30. As you know, it will be held in person in Brooklyn. Please note: I will NOT be responding to calls, texts or emails during that time.

Reason you're all here today, most importantly the GSRs: So me and JoAnn can listen to you. We are listening for additional information from all of the GSRs on this meeting, speaking for their groups.

As of yesterday, at noon, I've received DQs from 116 of our roughly 2,000 Area 49 groups. Perhaps the other 94% will respond over the next six days? I have a sampling of how SENY feels about the agenda items on the Delegate's Questionnaire, but as I've said many times: the conscience of the groups is much more than "yeses or nos"; the "why" is less quantitative, but more qualitative, and thus far more important.

I'm going to read several things out of our literature for the next few minutes, and I'll really be grateful if you'll give them your attention, because they all have to do with the A.A. spirit in which you'll be the voice of your group at the microphone shortly.

- Traditions 1 and 2 (short form)
- Concepts I, II and III (excerpts)
- Dr. Bob's Farewell Talk (excerpts)
- Language of the Heart (pp. 8 and 344, excerpts)
- Dr. Bob's "On Cultivating Tolerance" (third paragraph)
- "A.A. Comes of Age" (pp. 223, 233 & 234, excerpts)

We will be calling on GSRs in the order of raised hands. Each member will have up to two minutes to provide information on their group conscience, information which will help me go to the Conference as fully informed as possible with the needs and desires of Area 49's groups. As I said, GSRs will be called on first – please make sure your service title is in your screen name. Please do not come to the mic a second time until all the GSRs who wish to speak have done so. Nisaa will fill you in on how it will go from that point for others who wish to be heard, time permitting.

Thank you for your attention. I will stick around for a while after the close of the Assembly for any questions you might have.

Discussion begins from GSR

- Robust discussion about various topics
- Tom clarifies Big Book topics
 - Plain and simple language is a translation for BB- meant to be translated from the 4th edition
 - Whenever there is a translation there is an extensive process of who is translating
 - The 4th edition years from now will transition to the 5th edition which will mainly change in the stories
 - What's to be translated in the 4th edition? Everything except personal stories.

5 min break

- Other members given the opportunity to share
- A gentle reminder that although the live transcript can be saved, it can and does contain non-anonymous information such as full names and telephone numbers. Although we are not required to be anonymous within the fellowship, please respect our traditions when using - and possibly sharing - the actual text. Thanks, Mike
