

## **SENY Area 49 Assembly – January 10, 2026**

### **Delegate Report**

### **The Journey to the 76th General Service Conference – April 26–May 2, 2026**

As we begin the journey to the 76th General Service Conference, I am grateful for the opportunity to serve and to carry the collective conscience of SENY Area 49. The months leading up to the Conference are filled with preparation, shared responsibility, and opportunities for informed participation at every level of service.

Following the January Assembly, I will be attending the **Q1 General Service Board Weekend, held January 30–February 2, 2026**, in my role as Conference Delegate Chair for the Conference Committee on Trustees. This meeting plays an important role in finalizing the Conference agenda and preparing trustees and delegates for the work ahead.

In February 2026, final agenda items and **background information for the Conference will be released between February 17–20**, following the General Service Board meeting. Once available, I will post the final agenda items for Area review.

The Northeast Regional A.A. Service Assembly (NERAASA) will take place **February 20–22, 2026, in Portland, Maine**. NERAASA provides an important opportunity for regional sharing, service experience, and preparation for Conference participation.

After the final agenda items are released, **I will prepare the Delegate's Questionnaire**, which will include approximately **7-10 items drawn from the final Conference agenda**. The questionnaire will be distributed through the **SENY Area email list and posted on the From the Delegate page so members may review it in advance of the Delegate's Day of Sharing**. If you are new to your service position, please be sure to register and sign up for SENY Area emails. Your group's feedback allows me to faithfully carry the collective conscience of SENY Area 49 to the General Service Conference. Your collective conscience is the heart of A.A.'s decision-making process.

**Delegate's Day of Sharing (DDoS) will be held on Saturday, March 7, 2026 (Hybrid Westchester Community college)**. Chairperson: Chamille T., Orange County District Committee Member Chair (DCMC). This day is dedicated to an in-depth exploration of the Conference agenda items included in the questionnaire. Presenters will provide background information, and GSRs will have the opportunity to ask questions before returning to their groups to complete the questionnaire. Full general service conference background and presentations from the DDoS will be posted on [aaseny.org/delegate](http://aaseny.org/delegate) page with an easy to remember passcode.

**The 76th General Service Conference will be held April 26–May 2, 2026**. Delegates, trustees, directors, and staff will come together to share experience and address matters affecting A.A. as a whole, ensuring that the collective voice of the Fellowship helps guide our shared future.

Thank you for your continued service, participation, and commitment!
