

Motion regarding LNYYPAA (Lower New York Young People in AA):

Jeanne B, Panel 75 Alternate Delegate makes the following motion:

- To donate \$800 to LNYYPAA to allow LNYYPAA to establish a small prudent reserve fund.

Lower NY Young People in AA [LNYYPAA] organized in 2026 as the successor to Westchester Orange Rockland Committee of Young People in AA (WORCYPAA), which had existed for years but disbanded for a number of reasons. LNYYPAA inherited several thousand dollars of WORCYPAA's debt. Having now paid off most of WORCYPAA's debt while doing 12th Step Service, LNYYPAA has around \$600 in its bank account. However, LNYYPAA still owes 2 trusted servants \$400; both have agreed to forgo repayment for now. And LNYYPAA's Treasurer has established that if LNYYPAA paid off all its debt now, it would only have \$30 on hand after paying Zoom and other necessary expenses.

LNYYPAA is in the process of paying off this debt through a number of fundraising events, such as campouts and other activities; however, each of those requires an upfront and generally non-refundable payment. If any of these events do not recoup their expenses, or if weather or some other circumstance forces cancellation, LNYYPAA will not survive. Given Bill W.'s belief in the importance of YPAA's, providing \$800 will be sufficient to give LNYYPAA a prudent reserve sufficient to provide a small cushion while it rebuilds its finances and provides 12th Step Service.
